2021 WBG YOUTH SUMMIT

The economic hardship, loss of life, and global human suffering seen at an unprecedented level as a result of COVID-19 has highlighted deficiencies of our socio-economic systems, igniting a call to action for a more green, resilient, and inclusive path to global prosperity.

At the heart of the 2021 Youth Summit is a global conversation emphasizing the role of youth in addressing the effects of climate change and contributing to the measures and opportunities that will enable a #ResilientRecovery #ForPeopleAndPlanet.
